

ARBITERS' COMMISSION (ARB)

Report for the 2nd quarter FIDE COUNCIL 2020

(Online, June 15th, 2020)

The present report covers the commission's activity in the period between February 1st, 2020 and May 26th, 2020. It was prepared in collaboration with Nebojsa BARALIC, Secretary of the Commission.

While arbiters' activity in tournaments was directly impacted by the Covid19 pandemic, the work of the commission continued and we could deliver key projects such as the Arbiters' Manual 2020, finalize the work on the selection of arbiters for the coming Olympiad and continue improving our internal organization. We wish to thank all members, arbiters and people from other commissions who contributed!

1) MEETINGS AND REPRESENTATION

a) ARB MONTHLY ONLINE MEETINGS

From February 2020, the commission started a new working habit, to improve our work and achieve better results. Monthly online meetings are scheduled, and they increase connexions between members in a new way of communication. On the agenda: status and discussions on activities of the commission, brainstorming on projects and current issues, plans for the future, review of disciplinary cases, etc. This method of work has proven to be highly successful.

Until now, we organized three Monthly Online Meetings: 1st Meeting - February 18th, 2020 2nd Meeting - April 11th, 2020 3rd Meeting - May 23rd, 2020

The 4th Monthly Online Meeting will be held on Saturday, June 13th, 2020.

An online conference platform (GoToMeeting) is used to host those meetings.

b) 90TH FIDE CONGRESS

The ARB Chairman Laurent FREYD attended the 90th FIDE Congress in Abu Dhabi and reported the commission's activity for 2019 to the Executive Board. Meetings with commission members present, FIDE leadership, representatives of federations, other commissions' chairpersons and FIDE office team helped sharing about the vision of the commission and setting common goals for the future.

c) ARB COUNCILLORS' MEETING

The commission intended to organize a councillors' meeting during the Candidates Tournament in Ekaterinburg. The Covid19 pandemic impacted those plans and we had to cancel. As of now, it is not planned to physically meet in 2020 due to the health situation worldwide, until further notice.

d) ONLINE TOURNAMENTS GUIDELINES (CROSS COMMISSION)

As FIDE is starting to organize online events, the commission was involved in preparatory work to design guidelines for online tournaments, in collaboration with the FIDE management board, Fair Play Commission, Rules Commission, Qualification Commission. The ARB Chairman Laurent FREYD and Secretary Nebojsa BARALIC worked on provisional guidelines in close collaboration with Sava STOISAVLJEVIC from the FIDE Office at the end of April, to aggregate inputs from commissions into the first draft provided by the FIDE Executive Director Victor BOLOGAN.

e) ARB MEETING WITH THE FIDE PRESIDENT

An online meeting with the FIDE President Arkady DVORKOVICH and the FIDE Arbiters' Commission was held on May 18th, 2020. This was the first meeting of a series that the FIDE President scheduled with all Commissions. The Arbiters' commission started first, in alphabetical order, and also because the Commission had a strong activity in the last period and there were many subjects to discuss.

A lot of topics were covered at the meeting: vision and positioning of the ARB Commission, education of arbiters, Olympiad preparation, cross commission and management, online activities, etc. The commission highly appreciates such an initiative and the support shown by the FIDE President and Executive Director on our work and vision.

The meeting was hosted on the Zoom online conference platform.

2) ADMINISTRATION AND KPI'S

a) OPERATIONAL PROCESSES

Administrative processes are handled in collaboration with the National Federations and the FIDE Office. Now that we have more than one year of operations by the new team and we implemented structured data, we created a few metrics which will be covered in that section of the report every time. In charge for the commission: Nebojsa BARALIC, Laurent FREYD.

i) LICENSING PROCESS

We observe a clear decrease in the number of new National Arbiter licenses due to the Covid19 pandemic. The large number of titled arbiters' licensed in the first quarter is due to having the FIDE Congress in early 2020 instead of late 2019.

b) **INTERNAL ORGANISATION**

Adapting our internal organization to the current challenges is key to meet our targets. In January 2020, a poll was done inside the commission, to understand areas of interest among our members about the open subjects we have to cover (operations, regulations, projects, etc.). As a result, the ARB Chairman made the following appointments:

i) EDUCATION TEAM

A dedicated team was formed to progress on the education of arbiters, under the leadership of Alex MCFARLANE.

Their main scope covers seminars (existing and new ones to be implemented), lecturers and exams. The commission is going to put the whole process under better control.

ii) OLYMPIAD PREPARATION TEAM

A dedicated team was formed, under the leadership of Omar SALAMA, to implement the vision of the ARB about the preparation of arbiters for the large FIDE events. First select arbiters, then ensure they are trained and prepared specifically for the event.

Due to the postpone of the Olympiad to 2021, this project will be delayed a bit, however the design phase can progress.

iii) ARBITERS' MANUAL

Following successful results in 2019, Councillor Shohreh BAYAT was confirmed in her role to lead projects related to the FIDE Arbiters' Manual.

iv) ARBITERS' TITLES AND CLASSIFICATION

Starting with the current reporting period, Jirina PROKOPOVA will be trained on titles and classification evaluation and then take the lead in this area. She will be supported by Councillor Leandro PLOTINSKY and member of the commission Mohamed GARAD.

v) NEW ARBITERS' WEBSITE

The design and preparation of the new ARB website is done under the leadership of Nebojsa BARALIC.

Good progress was observed in the various projects listed above and we will proceed to further assignments in the coming period to help developing other areas.

3) <u>PROJECTS</u>

a) ONLINE CHESS

As mentioned above, the commission was involved in the redaction of the Provisional Guidelines for the organization of FIDE online tournaments, in cooperation with other Commissions.

The next step will be to build awareness sessions for arbiters, based on experience and observations from recent online events. Online chess is also an opportunity to strengthen links with continental organizations. A first webinar is planned for the beginning of June, in cooperation between the FIDE ARB Chairman Laurent FREYD and the ECU Arbiters' Council Chairman Tomasz DELEGA.

4) <u>REGULATIONS AND PUBLICATIONS</u>

a) ARBITERS` MANUAL

On April 11th, 2020, the ARB Commission was proud to publish the edition 2020 of the Arbiters' Manual. This was the result of a great preparation work from the team led by Shohreh BAYAT, coordinating with other commissions and the FIDE Office.

This version of the manual reorganized chapters to put the arbiter back in the center of focus; added new regulations; reviewed comments to bring better added value to the reader.

Thanks to the various contributors inside and outside the commission!

The next target for the manual is to edit an e-book version and offer again a printed version, that people could buy again from FIDE.

b) <u>REGULATIONS FOR ARBITERS</u>

The ambition in this area is to move from a handbook chapter named "B06 - Regulations for the titles of arbiters" to "B06 - ARB Regulations". That means reviewing the whole structure and content of the regulations to cover the whole spectrum of arbiters, for the benefit of clarity and an actual translation of the ARB vision into regulations.

The new ARB framework was shared in the 2019 report and the new structure of regulations is ready. The next step is to complete the content and write missing parts of the regulations. This is a huge project and a dedicated team will be formed to allow delivering faster.

5) EDUCATION OF ARBITERS

a) EDUCATION TEAM

The education team formed in April is composed as follows: Lead: Alex MCFARLANE Members: Councillor Shohreh BAYAT, Jirina PROKOPOVA, Aris MARGHETIS The ARB Chairman and Secretary are also attending meetings and discussions.

The short-term focus is on building **refresher seminars**, to be hosted online directly by the commission, before opening them to other organizers. The target is June for a first session.

The second priority is the **training of lecturers**. Only lecturers officially certified by the ARB are entitled to train arbiters in FIDE seminars. They are a key factor in the success of future arbiters and FIDE needs quality and reduced variability at that level. The process of recruitment of future lecturers will be reinforced, as well as certification and re-certification of lecturers.

The third priority is the introduction of **International Arbiter Certification Seminars** to reinforce the standards at IA level too.

b) FIDE ARBITERS SEMINARS

6) ARBITERS SELECTION IN FIDE EVENTS

a) OLYMPIAD 2020 - SELECTION

The selection of arbiters for large FIDE events is key for the success of the competitions and it is important for the commission to be involved in that process. That has been the case for the Olympiad which have been postponed to 2021 shortly after the selection process was covered. Nevertheless, the experience was extremely valuable and will help writing the future regulations about the selection of arbiters.

Those are the steps followed to achieve a selection respecting representativity of the worldwide arbiters' population and expectations in terms of quality, rotation, gender, development, etc.:

1. A call of interest, targeting any IA or FA over the world, was open.

2. Applications were then shared with federations to collect their feedback.

3. The list of applications was then reviewed by the ARB (IAs and FAs exclusively).

4. The short list prepared by the ARB was reviewed in collaboration with GSC.

The waterfall graph below shows how the applications were filtered to determine the final list of arbiters selected for the Olympiad.

Graph 1 – Olympiad Arbiters selection waterfall

From an initial list of 526 applications, a list of 141 names from 108 federations was prepared in collaboration between ARB and GSC.

This was a huge workload from December 2019 to April 2020, to collect applications, interact with the candidates and 131 federations represented. Special thanks to the Chairman of the Global Strategy Commission Emil SUTOVSKY for his support in the overall initiative and to the GSC Secretary Pavel TREGUBOV for his active involvement on the project. Also, FIDE International Director Mohd AL-MUDAHKA, FIDE Vice President Akaki IASHVILI, Sava STOISAVLJEVIC and Polina TSEDENOVA from the FIDE Office.

In charge for the commission: Shohreh BAYAT, Alex McFARLANE, Nebojsa BARALIC, Laurent FREYD.

7) <u>COMMUNICATION</u>

a) <u>WEBSITE</u>

The standard operations on the website were covered for the period between February 1st, 2020 and May 26th, 2020. We published 33 posts on <u>https://arbiters.fide.com</u> with news, seminar announcements and reports; and the weekly update of the list of licensed arbiters was done every Monday.

The migration project to a new version of the website is progressing well as several hundreds of news were already moved, in cooperation with the FIDE office in Elista. We expect to share about its official publication in our next report to the FIDE Council.

The Website Administrator is Nebojsa Baralic.

b) SOCIAL MEDIA

The commission continues to use the Facebook page as a support for communication, which was particularly useful during the Call of Interest for the Olympiad and at the time we published the FIDE Arbiters' Manual 2020.

8) <u>COMPLAINTS AND DISCIPLINARY</u>

A disciplinary case was concluded during the period, regarding a FIDE Arbiters' Seminar where irregularities were observed.

The commission confirmed the disciplinary sub-committee's conclusions to sanction.

As part of the redesign of regulations for the arbiters, the commission will also work on the improvement of the disciplinary regulations, with the support of the FIDE Legal Advisor.

9) APPLICATIONS TO BE VALIDATED BY THE COUNCIL

The evaluation of arbiters' title applications or category upgrade is extremely time consuming for the commission and the FIDE title administrator. This is especially the case when applications are incomplete (missing information like names, dates, signatures; missing norms or IT3; missing names on the FIDE rating server) or incorrect (invalid tournaments or mix of tournaments).

For the current session, 30% of the applications are not valid due to missing information.

This is too much, and the commission will organize a webinar with the national federations, to clarify how to prepare applications, hoping to reduce the number of applications requiring special care.

As far as the currently invalid applications are concerned (Conditional to receiving missing elements), federations will be contacted, and the applications will be skipped for now and postponed to the next session, except if all details are provided and validated by FIDE by June 1st, 2020.

That means that only Approved and Rejected applications will be listed as recommendations below.

a) <u>RECOMMENDATIONS FOR IA AND FA TITLE APPLICATIONS</u>

For the 2nd quarter FIDE Council 2020, the Arbiters' Commission received 75 applications for Arbiters Titles. 20 IA and 55 FA title applications were submitted for consideration by the Commission. 67 applications are approved, 5 rejected and 3 postponed to the next session.

Note: Change from the 90th FIDE Congress Recommendation

IA title application for Daniel Damian (POL, 1183621) – APPROVED

The applicant's first IA norm was achieved before the FA title award. However, based on documents exchanged between FIDE and the Polish Federation; and based on the published information on the FIDE Rating Server (precise dates of PB, but only the award year without actual day and month for the title); it was concluded that the application was genuinely made considering that the title was awarded during the PB without consideration of the 60-days period after submission.

A request has been made to the FIDE IT, to display the full award date on the arbiter's profile, to increase clarity for federations and applicants in the future.

Appendix B contains the recommendations of the Arbiters' Commission for the IA and FA title applications that have been submitted for approval by the 2^{nd} quarter FIDE Council 2020.

b) <u>RECOMMENDATIONS FOR ARBITERS' CLASSIFICATION UPGRADES</u>

For the 2nd quarter FIDE Council 2020, the Arbiters` Commission received 67 applications for Arbiters` classification upgrades:

- 9 category A
- 11 category B
- 47 category C

43 applications are approved, 3 rejected and 21 conditionally approved on seniority.

Appendix C contains the recommendations of the Arbiters' Commission for the upgrades of the Arbiters' classification that have been submitted for approval by the 2^{nd} quarter FIDE Council 2020.

c) <u>RECOMMENDATIONS FOR ADDITIONS TO THE FIDE LECTURERS LIST</u>

For the 2nd quarter FIDE Council 2020, the Arbiters` Commission received one request, and recommends the following for approval:

- IA KRJUKOV MIKHAIL (RUS, 4141016), immediate addition to the list, as they fulfill the requirements of the FIDE regulations for the training of the Chess Arbiters.

Appendix D contains the updated list of FIDE Lecturers for Arbiters submitted for approval by the 2^{nd} quarter FIDE Council 2020.
