

Recommendations for approval by
the 2nd FIDE COUNCIL 2025
(online, July 18th - 19th, 2025)

The present report presents the ARB Commission's activity, the list of FIDE Arbiters' Training Seminars, norms achieved and title and accreditation recommendations for approval by the FIDE Council. The period covered is between March 13th, 2025 and July 7th, 2025. It was prepared in collaboration with Nebojsa BARALIC, Secretary of the Commission.

Note: other activities of the FIDE Arbiters' Commission are regularly reported on <https://arbiters.fide.com>

1) ARB ACTIVITIES IN THE PERIOD BETWEEN TWO FIDE COUNCIL MEETINGS

During the period between November 1st, 2024 and March 12th, 2025 in FIDE Arbiters Commission (ARB) we worked on the following topics:

- A) ARB response to Fair Play Standards Violation Sanctions Proposal
- B) Statement of ARB to the proposal of FIDE Rules commission addressed to FIDE Council and reaction to the letter of a group of arbiters to change the existing system of Fair Play officials
- C) Ongoing cooperation with Fair Play Commission
- D) Proposal for the change in regulation B.06.1 – *FIDE Regulations for the Titles of Arbiters*
- E) Organisation of the Meeting of ARB Councillors
- F) Working group to present standards for on line seminars to prevent cheating
- G) Appointment of arbiters for World Events

A) ARB response to Fair Play Standards Violation Sanctions Proposal

The ARB Commission welcomed the proposal as a positive step toward establishing a clear criteria for sanctioning Fair Play violations. We recommend enhancing the FIDE Code of Ethics rather than drafting a separate document. Importantly, we emphasize the need to distinguish between negligent behaviour (e.g. a player bringing a pen or watch into the playing hall) and intentional cheating (e.g. using external computer assistance). Sanctions should be based on a scale of severity, intent, and impact, rather than fixed penalties.

B) Statement Regarding the Proposal by the FIDE Rules Commission and Related Letter from Arbiters

The FIDE Rules Commission submitted a proposal to the Council suggesting changes to the existing Fair Play roles and titles. Simultaneously, a group of arbiters submitted a letter requesting a return to the previous system of anti-cheating arbiters.

The ARB Commission affirms:

- The Fair Play official (FPO/FPE) should report to the Chief Arbiter (CA), ensuring unified team leadership.
- We oppose a dual leadership structure with separate heads for arbiters and Fair Play officials.
- While acknowledging that arbiters, like players, can theoretically commit violations, such cases should be dealt with through strict procedures and penalties—potentially more severe than those applied to players.
- The current system of FPOs/FPEs should not subject arbiters to the same scrutiny as players (e.g. being denied access to PGN files).

Regarding financial aspects, we object to assistants (FPEs) paying for remote supervision by an external FPO. The appointed FPO should assume full responsibility for their team's preparation and coordination on-site.

We acknowledge the diversity of opinions within our commission and the broader arbiter community. While some advocate for Fair Play Commission responsibilities to be limited to investigations and education, others support maintaining the current system, recognizing the specialized training Fair Play officers undergo. Cooperation and mutual respect between ARB and Fair Play roles remain essential.

C) Ongoing Cooperation with the Fair Play Commission

Several Zoom meetings with the Fair Play Commission representatives were held to address the aforementioned concerns. We appreciate their willingness to acknowledge and incorporate our feedback.

A joint online meeting, chaired by FIDE President Mr. Arkady Dvorkovich and attended by Deputy Chair Mrs. Dana Reizniece, as well as representatives from ARB, Fair Play, and signatories of the arbiters' letter, was held on May 13.

We support continued dialogue and collaboration between commissions and stakeholders. Feedback from Chief Arbiters (CAs) and Chief Fair Play Officers (CFPOs) should be collected systematically to evaluate event success and identify potential systemic or individual issues.

D) Proposal to Amend Regulation B.06.1 – FIDE Regulations for the Titles of Arbiters

IA Jens Wolter, team leader for titles and licenses, presented proposed revisions to Regulation B.06.1. This follows extensive feedback from arbiters seeking regulatory improvements. A preliminary version was discussed within the ARB Commission, and further suggestions are currently being incorporated.

Key goals include:

- Clarifying which events are eligible for title norms.
- Introducing additional criteria for becoming an International Arbiter (IA), such as age limits and progression timelines from FA to IA.
- At this stage a new version is under discussion in FIDE ARB.

Once finalized, the revised proposal will be submitted to the Management Board and FIDE Council.

E) Upcoming In-Person Meeting of ARB Councillors

An in-person meeting is scheduled for late August in the United Arab Emirates, hosted by the Fujairah Chess Club and facilitated by Councillor IA Mahdi Abdulrahim.

Tentative agenda:

1. Appointment of Arbiters for World Events – in cooperation with GSC, EVE, and FP Commissions.
2. Formation of Arbiter Panels (2026–2027).
3. Activity Plan for 2026.
4. Arbiters' Education – ongoing meetings and refresher courses.
5. Collaboration with Asian and Chinese Chess Federations – including a workshop on practical topics.

F) Working group to present standards for on line seminars to prevent cheating

During recent International Arbiters Seminars, several lecturers raised concerns regarding potential cheating by participants during online examinations—particularly through remote assistance from other arbiters. While this issue may have existed in the past, its scope and sophistication, especially with the growing use of AI, have made it a more pressing concern today.

In response, we have formed a dedicated working group that includes not only members of the FIDE Arbiters' Commission (ARB) but also representatives from other key FIDE Commissions. We greatly appreciate the collaboration and contributions of the Women's Commission, Trainers' Commission, Fair Play Commission and Rules Commission in our first online meeting, held on Friday, June 27th. During this meeting, each commission shared valuable experiences regarding cheating incidents and preventive strategies.

We acknowledge that in today's environment, being a knowledgeable lecturer is not sufficient; all lecturers must also implement preventive measures to safeguard the integrity of examinations. Our working group is now preparing a comprehensive written proposal that will serve as practical guidance for all lecturers—not just those involved with arbiters' seminars. The material will include recommended protocols and tools to help ensure fair and secure examination procedures.

A particularly critical concern is the use of AI tools and remote assistance from other arbiters, which poses a significant threat to examination integrity. In this regard, we want to highlight that the FIDE Arbiter's Councillors have unanimously decided to refer the recent suspected cheating case during an IA seminar to the Arbiters Disciplinary Subcommittee. We all regard this matter with the utmost seriousness.

As arbiters are entrusted with upholding the integrity of the game, any form of unauthorized assistance—especially when coming from within the arbiters' community—is wholly unacceptable.

G) Appointment of Arbiters for World Events

The second quarter of 2025 marked continued improvement in the arbiter appointment process. A key development was involving proposed Chief Arbiters in discussions about their teams, alongside local organizers. Several lists of appointments were submitted for approval, with coordination between ARB and the Fair Play Commission.
