

Recommendations for approval by
the 4th FIDE COUNCIL 2025
(online, December 11th, 2025)

The present report presents the ARB Commission's activity, the list of FIDE Arbiters' Training Seminars, norms achieved and title and accreditation recommendations for approval by the FIDE Council.

The period covered is between October 16th, 2025 and December 1st, 2025. It was prepared in collaboration with Nebojsa BARALIC, Secretary of the Commission.

Note: other activities of the FIDE Arbiters' Commission are regularly reported on <https://arbiters.fide.com>

This time the FIDE Arbiters' Commission presents a shorter report because the last quarter Report for the 3rd Council was presented on October 15th and after it our commission submitted an Annual report covering the period between January 1st and November 1st.

1) ARB ACTIVITIES IN THE PERIOD BETWEEN TWO FIDE COUNCIL MEETINGS

During the period between October 16th, 2025 and December 1st, 2025 in FIDE Arbiters Commission (ARB) we worked on the following topics:

- A) ARB Online Meeting as a part of Congress Meetings
- B) Proposal to Amend Regulation B.06.1 – FIDE Regulations for the Titles of Arbiters
- C) Panels of Arbiters for FIDE Events 2026-2027

A) ARB Online Meeting as a part of Congress Meetings

After the 3rd FIDE Council Meeting, the ARB Commission took part in Congress meetings. The meeting of FIDE ARB Commission was organized on November 25th, with approximately 100 participants. We had the honour that FIDE President, Mr. Arkady Dvorkovich, joined this meeting and gave a speech addressed to all arbiters.

The agenda was:

0. Words of Introduction

The Chairman of the Arbiters' Commission Ivan Syrov and the Secretary Nebojsa Baralic welcomed the participants to the FIDE Congress Arbiters' Commission Online Meeting. They

thanked the whole ARB Team for their excellent and hard work. The FIDE Office and other FIDE Commissions are also thanked for their great cooperation in the last 3 years. Chairman Ivan Syrov introduced the participants to the methods of conduct of the Meeting, the way of speaking, and other opportunities to communicate.

The FIDE President Arkady Dvorkovich greeted everyone present and wished them success in their work and for the meeting. The FIDE President shared with us his thoughts about the important role the arbiter has on all FIDE events and thanked us for our work during the last year. He emphasized the good cooperation between the arbiters and Fair Play teams at recent FIDE World events and the continuous discussion on this topic, taking into account the opinions of FIDE ARB, Rules and Fair Play Commissions.

1. Obituary

The Secretary of the Arbiters' Commission, Nebojsa Baralic, was in charge of the "In Memoriam" part. Unfortunately, this list includes the names of 13 International Arbiters who passed away after the FIDE Congress 2024 (Budapest).

2. Statistics data

The Secretary, Nebojsa Baralic, also presented a report on all administrative and operational activities. He presented a few tables with statistical data (the number of arbiters, the number of seminars both FA and IA, the number of title and category applications, etc.) He mentioned that administrative processes were handled in collaboration with the National Federations and the FIDE Office.

3. Appointment of Arbiters for FIDE World Events in 2026

We presented our goal to keep a strong influence in the procedure of the nomination of arbiters subject to the final decision of the FIDE President. This procedure should be in close cooperation with FIDE Commissions (mostly the GSC and EVE Commissions) and in coordination with local organisers, respecting Arbiters Categories, panels, gender and a fair geographic distribution of nominations.

4. Refresher Courses – the current stage and launch of the programme

The team under the leadership of IA Laurent Freyd plans to start Refresher Courses in the first part of 2026 as a self-paced online programme, compulsory for all IA and FA arbiters.

5. Arbiters Manual 2026

A new edition of Arbiters Manual should be presented during the Olympiad in Samarkand (UZB) in both printed and online versions, covering changes to the FIDE regulations and some more detail explanations of existing rules. The team is led by IA Anantharam Rathinam and team members represent not just FIDE ARB but other commissions as well.

6. Information about changes in B06.1 FIDE Regulations for the Titles of Arbiters

A proposal presented by our Commission was approved by the FIDE Management Board and is now subject to a final decision taken by the FIDE Council.

7. Proposal of changes in B06.3 FIDE Regulations for the Classification of Arbiters

For more than 3 years our Commission has been collecting proposals from national chess federations (Rating Officers) and arbiters, concerning the improvement of this regulation. Our goal is to present new version of this is 2026.

8. Evaluation of Arbiters - Format

We plan to have a uniform format to evaluate arbiters at world events. A dedicated team for this topic will be established until the end of this year and in the first half of 2026 we wish to present the form.

9. Disciplinary Cases - Report

Of the 3 disciplinary cases 2 were related to cheating of arbiters during IA seminar examinations. As this is a serious problem, we continue our work on integrity of exams and plan to submit a proposal of changes in B.06.5 – FIDE Arbiter Disciplinary Regulations.

10. Education of young arbiters - Programme

This topic was introduced and our Commission is ready to receive comments from its members and will be a part of the work of our Education Team in 2026.

11. Miscellaneous

We find it important to continue discussions about arbiters, fair play teams and close cooperation in 2026 FIDE World events. As requested by the FIDE President, we plan a joint meeting with representans of the Rules and Fair Play Commissions.

B) Proposal to Amend Regulation B.06.1 – FIDE Regulations for the Titles of Arbiters

The Commission finalised its proposal to change B.06.1 – FIDE Regulations for the Titles of Arbiters and implemented the listed changes.

FIDE MB recommended to the FIDE Council that it approve these amendments to the Regulations for the Titles of Arbiters.

C) Panels of Arbiters for FIDE Events 2026-2027

The FIDE Arbiters' Commission is pleased to release the List of Arbiters for the Green, Blue, Red, and Yellow Panels, which will be used for making appointments to FIDE events during the 2026-2027 cycle.

There are four panels named by colour (everything is published on the ARB website):

- A Green Panel, containing 25 International Arbiters of category A
- A Blue Panel, containing 45 International Arbiters of category A or B
- A Red Panel, containing 60 International Arbiters of category A or B
- A Yellow Panel, containing the remaining International Arbiters or FIDE Arbiters of any category
- The ARB Chairman, ARB Secretary, and ARB Councillors are eligible for nomination irrespective of their inclusion in any Panel.

The panels were formed, following the published arbiter's selection procedural rules and considering selection criteria to help make the final lists:

- Geography: each continent is represented proportionally to the actual demographics of titles/categories (A and/or B) eligible for the Green, Blue and Red panels
- At least 25% female and at least 25% male
- Proficiency in English
- Wishes expressed by the candidates (maximum level for appointment, geography)
- Feedback from all four Continental Organisations (Africa, America, Asia, and Europe), FIDE Global Strategy Commission, and FIDE Events Commission.
- Experience in events as an Arbiter, and previous behaviour or misbehaviour during chess events.
- Software skills, leadership skills, teamwork skills.

The Arbiters' Commission started the procedure with releasing a Call of Interest for all International Arbiters and FIDE Arbiters who hold a valid FIDE arbiters' license. The Call of Interest was opened for one month, from August 28th to September 27th, 2025. In total 152 Arbiters with IA-A and IA-B categories responded to the Call for Interest.

The panels were formed following the FIDE Regulations, particularly B.06.4 FIDE Regulations for the Appointment of Arbiters in World Events (effective July 20th, 2023) and selection criteria. These selection criteria were applied by a team of voting members, who used consensus as a decision-making method.

Each voting member received a list of 152 arbiters (arbiters Category A and B who participated in the Call of Interest for World Events 2026-2027) and voted for every arbiter on it (on a scale of 130 points to 1 point). The second step was to consult all four Continental Organisations for their feedback, FIDE Global Strategy Commission and FIDE Events Commission, before starting the composition of Panels by the FIDE Arbiters' Commission Councillors. Voting members discussed the draft with a Team of Consultants so they will be able to present the final version of the List of Arbiters for the Green, Blue, Red, and Yellow Panels.

The Arbiters' Commission believes that this list was made in the best interests of FIDE and arbiters worldwide. Moreover, we expect that its content and integrity will be proved over the following two years when these arbiters complete their duties at FIDE World Events.
