*Note: other activities of the FIDE Arbiters' Commission are regularly reported on https://arbiters.fide.com*

# 1) ARB ACTIVITIES IN THE PERIOD BETWEEN TWO FIDE COUNCIL MEETINGS

During the period between September 10th, 2026 and November 12th, 2026 in FIDE Arbiters Commission (ARB) we worked on the following topics:

A) 46th FIDE Chess Olympiad and 3rd FIDE Chess Olympiad for People with Disabilities
B) Meeting of the FIDE Arbiters' Commission in Samarkand (Uzbekistan)
C) Arbiters' Manual 2026
D) Education of Arbiters
E) Lecturer Training Programme (LTP)
F) Appointments of arbiters for FIDE World Events

## A) 46th FIDE Chess Olympiad and 3rd FIDE Chess Olympiad for People with Disabilities

FIDE The FIDE Chess Olympiads held in Samarkand, Uzbekistan, provided an excellent opportunity for the global arbiters' community to meet, exchange experiences, and discuss various issues and challenges encountered in their work.
Under the guidance of the Chief Arbiters and Deputy Chief Arbiters, many match arbiters participating in a Chess Olympiad for the first time gained valuable experience in the organization and management of a major FIDE World Event. Following our online preparation programme consisting of three online sessions before the Olympiad, we held two additional in-person meetings prior to the start of the event, as well as several informal discussions addressing various operational matters.
We are pleased to report that no appeals were filed during either Olympiad. The arbiters, together with the Fair Play Team, worked professionally and diligently to contribute to the successful organization of both events.

As with our fellow principals, it was very important for us to dedicate time to meeting other arbiters, sharing our vision, exchanging experiences from events organized in our respective countries, and discussing the challenges we face in our daily work.

**B) Meeting of the FIDE Arbiters' Commission in Samarkand (Uzbekistan)**

The FIDE Arbiters´ Commission held two meetings during the FIDE Congress in Samarkand. A closed meeting for Commission members took place on September 21st, followed by open meeting on September 22nd.

The agenda of the open meeting included:

- Opening remarks
- Obituary
- ARB Commission Activities Report
    - Statistical Data
    - Titles Team Report
    - Appointments of Arbiters for FIDE World Events (2025-2026)
    - Cooperation with Other FIDE Commissions
- Education of Arbiters
    - Changes to FA and IA Seminars
    - Refresher Courses: Current Status and Presentation
- Arbiters Manual 2026
- Disciplinary Cases Report
- Arbiters' Awards
- Questions and Answers
- Miscellaneous Matters

We are particularly proud of our colleagues who received the Arbiters' Awards in recognition of their long-standing contributions to the arbiters' community.

**C) Arbiters' Manual 2026**

Thanks to the support of FIDE, the Arbiters' Manual was printed and distributed to arbiters and members of the Fair Play Team during both Olympiads in Samarkand, namely the 46th Chess Olympiad and the 3rd Chess Olympiad for People with Disabilities.

Additional copies were presented to FIDE Delegates and Council members, enabling the Commission to showcase its work. The Manual provides not only the relevant regulations but also practical explanations of cases and situations that may otherwise be difficult to interpret

**D) Education of Arbiters**

The team led by IA Alex McFarlane, together with IA Alex Holowczak, IA Sabrina de San Vicente, and IA Tania Karali, presented a proposal aimed at improving the education system for arbiters. The proposal included revised requirements for participation in FA seminars and a clearer distinction between the content and objectives of FA and IA seminars, allowing topics to be delivered at the appropriate level of complexity and expertise.
The proposal also introduced several additional improvements to the educational framework. With regard to examinations, the team suggested that arbiters should not be required to memorize all areas, this being important, for example, when aspects of the Laws need to be applied quickly. In other areas, an open-book format may be more appropriate, as the primary objective is to assess an arbiter's ability to locate and apply the correct regulations rather than simply recall information from memory.

**E) Lecturer Training Programme (LTP)**

The FIDE Arbiters' Commission launched a new Call for Applications for the Lecturer Training Programme (LTP). The programme was open to Category A and Category B International Arbiters.

A total of 24 applications were received. Following an initial evaluation, 10 candidates were invited to participate in a 30-minute interview, during which each candidate delivered a short presentation. The presentations were assessed by experienced lecturers, who unanimously selected the final five participants. Although the final decision was unanimous, the selection process was highly competitive and several strong candidates were ultimately not selected.

The five successful participants will now continue their development through advanced training activities, including the preparation of educational presentations for FA seminars, attendance at training sessions, and practical assistance during FA seminars.

**F) Appointments of arbiters for FIDE World Events**

Following the conclusion of both Olympiads, preparations began for a number of upcoming FIDE World Events, including:

- FIDE World Youth U7-U17 Championships 2026 (Spain)
- FIDE World Junior U20 Rapid and Blitz Chess Championship (United Arab Emirates)
